

## Associates In Medicine

We at Associates in Medicine, P.A. would like to thank you for your efforts in assisting us with our medical resource needs. Medical ProSource has a successful record of accomplishment of consistently demonstrating their understanding of our environment. The consultants you have provided us have been great contributors to our successes in customer satisfaction and increased client confidence.

Given today's ever-changing healthcare environment, your organization has continued to respond promptly and with class. Your dedication and professional mind-set proves your commitment to both your clients and employees. We have been very pleased with the service that you have provided to Associates in Medicine, P.A. We look forward to working with Medical ProSource on future endeavors.

Very truly yours,

Anthony
